

Column 19: Year of Naturalization Field
Variable: YEAR_OF_NATURALIZATION

The instructions to the enumerators were as follows:

92. Column 19. -- Year of naturalization. This question, in column 19, applies only to persons who were born in some other country than the United Kingdom or any of its dependencies and is to be answered, for all foreign-born persons, by writing the year in which the person attained full citizenship either through his or her own act or through the act of parents. It does not apply to persons born in any part of the British Empire and who have not, by legal process, become Naturalized Citizens of a Foreign Country. If a person has applied for papers but has not yet reached the full status of citizenship, the fact should be indicated by writing the letters "pa" for papers.

In the case of persons "naturalized" through the act of a parent enter the date of the parent's naturalization.

Acceptable Entries - Enter verbatim the entry in column 19.
