H. Enumerators' Instructions	<p>81. Column 11. Relationship to head of household.</p> <p>(1) Head of the household. For census purposes, there must be a head to each household. The name of the head shall be entered first when enumerating a household, and on the same line as the name, the word "head" shall be entered in Column 11.</p> <p>(2) Who should be reported as "head"? Enumerate as "head" the person on whom falls the chief responsibility for the maintenance of the household. However, when husband and wife or parent and unmarried children live in the same household always report the husband as "head" rather than the wife, and the parent rather than the</p>

If several unrelated persons share housekeeping facilities on a partnership basis, enumerate one of them as "head" and the others as "partners".</p> <p>(3) Relationship to "head". Describe the other members of the household according to their relationship to the head as wife, son, daughter, father, mother, grandson, grandmother, daughter-in-law, father-in-law, nephew, niece, uncle, aunt, partner, servant, employee, boarder, lodger, evacuee, refugee, etc.</p> <p>(4) Institutions and hotels. In an institution or hotel, enter as "head" the highest-ranking officer or employee in the main household. Entries in column 11 for other members of the institutional or hotel household will be their relationship to the institution or hotel, as officer, employee, inmate, patient, pupil, prisoner, etc.</p> <p>(5) Family. Occasionally, some members of a household will constitute a separate family from that of the head of the household. For example, the head of the household may have living with him, as part of the household, a married son and his wife and children. While these would be members of the same household, still they would form a separate family. In such cases, the Enumerator shall indicate such families by placing their members within brackets on the left of column 11. (See Specimen Schedule, page 1, lines 4 to 6.)</p> <p>(6) "Family" defined. A family consists of husband and wife (with or without children) or a parent with an unmarried child (or children) living together in the same housekeeping community.</p> <p>(7) Dependency on head. The Enumerator shall ask of every member of the household, whether or not this person is dependent on the head of the household for his or her maintenance. In the affirmative he shall enter the letter "D" in Column 11, after the relationship to the head.</p> <p>(8) "Dependant" defined. For census purposes, a</p>
